

THE PANDA
DIFFERENCE:

DEDICATED TEAM MEMBERS

Whether you're crowdfunding your first game or are a seasoned publisher, a little help goes a long way. At Panda, that help comes from the dedicated [Project Manager](#) and [Prepress Specialist](#) working on your project. They save you time and money by answering questions, preparing your game for production, and ensuring the factory team understands your manufacturing needs.

WE'RE NEAR YOU

We'll pair you with Pandas in or near your time zone to streamline communication.

WE'RE ALL GAMERS

We want to help you make the best game possible (so we can play it)!

WE'RE MULTILINGUAL

We speak 12 languages including French, German, Portuguese, and Spanish.

PART OF THE PACKAGE

All this extra assistance is standard with every project.

READY TO BEGIN?

Ask your Project Manager about the advantages of dedicated team members and how we'll help your game be the best it can be.

Don't have a PM yet? Get your project started at pandagm.com or email general questions to hello@pandagm.com.

A PROJECT MANAGER ON YOUR TEAM

Your **Project Manager** is your direct contact and an extension of your team, ensuring your project runs smoothly at all times.

WITH YOU EVERY STEP

From your first quote, to the final shipment, to reprints!

DYNAMIC CONSULTATION

Find the right balance of form, function, and cost for your components, so they look great, enhance gameplay, and hit the right price point.

MANUFACTURING SPECIALISTS

Help you avoid costly errors and miscommunication.

YOUR PREPRESS PRINT PROFESSIONAL

Your **Prepress Specialist** guides you through the complex file prep required for high-quality mass production.

AN EYE FOR DETAIL

Identify problems with graphics that affect your project before they go to print and avoid costly revisions.

PRODUCTION-FOCUSED KNOWLEDGE

Ensure your game prints the way you intended.

TAILORED TEMPLATES

Create personalized templates such as optimized punchboard sheets and complex boxes.
