

INTRODUCING KAWAGRAF

A NEW PARTNERSHIP

Panda is proud to be partnering with Kawagraf, a leading Brazilian company specializing in premium packaging, printing, and manufacturing solutions.

TOP MANUFACTURING EXPERTISE

Since 1994, Kawagraf has worked with international brands like 3M, Samsung, Lenovo, L'Oréal, and Panasonic on the development, production, and delivery of premium packaging and printing. They have also produced many well-loved board games, including Zombicide, Citadels, and Exploding Kittens.

DELIVERING PANDA QUALITY TO YOU

Our collaboration allows us to offer competitive costs while maintaining premium product quality.

WHY MANUFACTURE IN BRAZIL?

- ✓ Strategic location providing convenient access to both North American and European markets.
- ✓ Highly developed manufacturing infrastructure with comprehensive logistics and transportation networks.
- ✓ Advanced and internationally recognized environmental standards, including extensive FSC-certified forestry practices.
- ✓ Established relationships with local suppliers, logistics providers, and regulatory agencies to ensure efficient operations.
- ✓ Fast and cost-efficient manufacturing for Brazil and the entire Latin American region.
